

Apply for the Octopus Automatic Add-Value Service (AAVS) in 4 simple steps through Personal Internet Banking

(for HKD primary cardholder's AAVS application only)

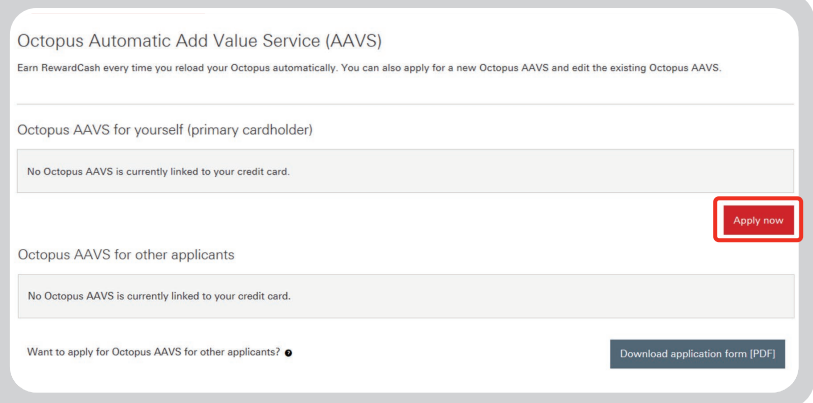

Step 1

Log on to Personal Internet Banking and click "Octopus AAVS" under "My borrowing" in the top menu.

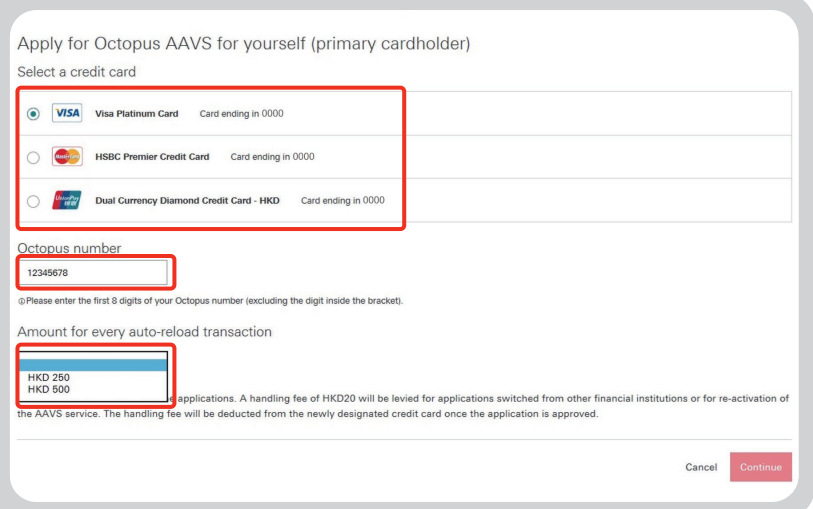

Step 2

Click "Apply now".

Step 3

Select or input the required information (credit card account, Octopus number and reload amount) to continue.

Step 4

Check your application to make sure all the details are correct. Read and accept the declaration before clicking “Confirm” to complete your application.

Review

Please check the details you have entered are correct.

The Octopus AAVS will be linked to the following card [Edit](#)

 **Visa Platinum Card** Card ending in 0000

Octopus number: 12345678

Amount for every auto-reload transaction: HKD 500

Before you continue

I declare that:

All information in respect of me provided in this application form is true, accurate and complete to the best of my information, knowledge and belief.

I agree to be bound by [the Terms](#), [the AAVS Agreement](#) and [the Conditions of Issue of Octopus](#) in the use of the AAVS and / or the Octopus.

I acknowledge and agree that upon the approval of the AAVS, my personal data provided in this application will be associated with my Octopus. By submitting this application, I agree that I have read, understood and agree with the Notice relating to the Personal Data (Privacy) Ordinance contained in clauses 33 – 40 of the AAVS Agreement.

I authorize The Hongkong and Shanghai Banking Corporation Limited ("HSBC") to pay Octopus Cards Limited ("OCL") in accordance with such instructions as HSBC may receive from OCL from time to time. I promise to reimburse HSBC subject to and in accordance with the Credit Card Cardholder Agreement and this application.

I have read and accepted the above

[Cancel](#) [Confirm](#)

Please note:

- If your application is successful, you will receive a notification letter from HSBC on behalf of Octopus Cards Limited.
- Please follow one of the instructions below to activate the AAVS function within **30 days** from the issue date of your notification letter*:

Octopus Card (including watches, ornaments, etc)

- Using a Near Field Communication (NFC)-enabled Android mobile device, or iOS mobile device connected to the Octopus Mobile Reader, download and open the “Octopus” App to activate the AAVS function[†]; or
- Bring along the original copy of your notification letter, your identification document, and your registered Octopus Card in person to the Customer Service Centre at any MTR station to activate the AAVS function. Your notification letter will be retained by the staff after the activation.

Smart Octopus or Octopus Mobile SIM

- You can only activate the AAVS function by downloading and using the “Octopus” App.

* Action is only required for first time activation or re-activation of the AAVS function on your Octopus after suspension. You are not required to activate the AAVS function again if you are transferring the AAVS account from one financial institution to another.

[†] Only applicable to Octopus Cards with 9-digit numbers (8 digits plus 1 single digit inside the bracket). For details, please visit www.octopus.com.hk/aavs-activation-en.

To borrow or not to borrow? Borrow only if you can repay!
